Judgment

Koshy,J.

This is a petition for police protection. According to the petitioner, petitioner's tourist taxi car is not allowed to be parked by respondents 3 to 5 and their supporters. Counsel appearing for respondents 3 to 5 submitted that they are not making any obstructions. If there are parking places, that can be used by all taxis and parking cannot be denied merely because of affiliation to unions. Police to see that parking of petitioner's vehicle is not obstructed if other cars are allowed to park in that place. This order is with regard to the parking of cars in public place. In private place, cars can be parked only if private owner allows the same, but, that should not be on the basis of union affiliation.

The writ petition is disposed of.
